music is so ubiquitous that it can be easy to overlook the powerful influence it exerts in so many areas of our lives from birth through childhood to old age the social and applied psychology of music is the successor to the bestselling and influential the social psychology of music it considers the value of music in everyday life answering some of the perennial questions about

music the book begins with a scene setting chapter that describes the academic background to the book before looking at composition and musicianship it then goes on to look at musical preference what aspects of music are crucial in determining whether or not you will like it in chapter 4 the authors consider whether rap and rock are bad for young people highlighting some of the major moral scandals that have rocked pop music and asking whether these have become more extreme over time the following chapter looks at music as a commercial product how does the structure of the music industry influence cd purchasing and how does music affect customers in retail and leisure settings like shops and restaurants the book closes with an examination of music education how does musical ability develop in children and how does this relate to more general theories of how intellectual skills develop do musical skills develop independently of other abilities exceptionally broad in scope and written in a highly accessible style by the leading researchers in this field the social and applied psychology of music will be required reading for anyone seeking an understanding of the role music plays in our lives

acts of violence assume many forms they may travel by the arc of a guided missile or in the language of an economic policy and they may leave behind a smoldering village or a starved child the all pervasiveness of violence makes it seem like an unavoidable and ultimately incomprehensible aspect of the modern world but in this detailed and expansive book marc pilisuk and jen rountree demonstrate otherwise widespread violence they argue is in fact an expression of the underlying social order and whether it is carried out by military forces or by patterns of investment the aim is to strengthen that order for the benefit of the powerful the hidden structure of violence marshals vast amounts of evidence to examine the costs of direct violence including military preparedness and the social reverberations of war alongside the costs of structural violence expressed as poverty and chronic illness it also documents the relatively small number of people and corporations responsible for facilitating the violent status quo whether by setting the range of permissible discussion or benefiting directly as financiers and manufacturers the result is a stunning indictment of our violent world and a powerful critique of the ways through which violence is reproduced on a daily basis whether at the highest levels of the state or in the deepest recesses of the mind

as technology has made imaging of the brain noninvasive and inexpensive nearly every psychologist in every subfield is using pictures of the brain to show biological connections to feelings and behavior handbook of neuroscience for the behavioral sciences volume ii provides psychologists and other behavioral scientists with a solid foundation in the increasingly critical field of neuroscience current and accessible this volume provides the information they need to understand the new biological bases research tools and implications of brain and gene research as it relates to psychology

here is a mesmerizing incomparable portrait of the most influential musician of his time book jacket

kurt cobain filled dozens of notebooks with lyrics drawings and writings about his plans for nirvana and his thoughts about fame the state of music and the people who bought and sold him and his music more than 20 of these notebooks survived his many moves and travels and have been locked in a safe since his death his journals reveal an artist who loved music who knew the history of rock and who was determined to define his place in that history

das persönliche porträt der grunge legende kurt cobain 1967 94 der die moderne rockmusik mit seiner band nirvana in unverwechselbarer weise prägte zeigt auszüge aus seinen tagebüchern in faksimile und deutscher Übersetzung

here is the first biography to explore with shocking detail the drama that formed this troubled tragic rock star neither an apology nor a condemnation kurt cobain presents a vivid insider s view of the life and death of a man who galvanized a generation and gave birth to the grunge revolution with his band nirvana sandford portrays the provocative small town rebel with the talent of john lennon and then shows him at work on concert stages in seattle new york and london readers follow the struggles of cobain s emotional life his tumultuous relationships with family and his fellow band members his drug addiction and sexual appetite his stormy marriage to courtney love and the birth of his daughter who as cobain wrote in his suicide note reminds me too much of who i used to be during his research sandford has had access to cobain s family his colleagues his former friends and lovers and even author william s burroughs whom cobain considered to be his greatest influence the result is a graphic account of the life that led to the day in april 1994 when cobain turned a shotgun on himself and became a martyr to disaffected youth around the world

kurt cobain journal diary notebook

though nevermind was nirvana s most commercially successful album and the record that broke them and the grunge phenomenon internationally in utero has increasingly become regarded as the band s best album both by the critics and the band members themselves instead of sticking to the grunge pop formula that made nevermind so palatable to the mainstream nirvana chose instead to challenge their audience producing an album that the band s creative force kurt cobain said truly matched his vision of what he had always wanted his band to sound like here the full story behind the creation of in utero is told for the first time

en 1994 kurt cobain leader du groupe grunge nirvana et porte parole malgré lui de toute une génération mettait fin à ses jours ses notes dessins lettres paroles de chansons retrouvés dans plus de vingt carnets dévoilent le parcours du jeune musicien d aberdeen pour qui le succès fut un poison mortel une descente aux enfers en compagnie des drogues et de la dépression plongée dans l esprit souffrant d un adolescent maniaco dépressif cet ouvrage dessine aussi le portrait touchant d un être lucide et révolté lorsqu il observe l industrie du disque et la société dans laquelle il vit sensible et tendre lorsqu il parle de sa fille frances de l enthousiasme des débuts à la rage impuissante des dernières années ces documents brossent le tableau intime d un homme en quête de vérité

the year 2019 marked the twenty fifth anniversary of the death of kurt cobain an artist whose music words and images continue to move millions of fans worldwide as the first academic study that provides a literary analysis of cobain s creative writings arthur flannigan saint aubin s the pleasures of death kurt cobain s masochistic and melancholic persona approaches the journals and songs crafted by nirvana s iconic front man from the perspective of cultural theory and psychoanalytic aesthetics drawing on critiques and reformulations of psychoanalytic theory by feminist queer and antiracist scholars saint aubin considers the literary means by which cobain creates the persona of a young white heterosexual man who expresses masochistic and melancholic behaviors on the one hand this individual welcomes pain and humiliation as atonement for unpardonable sins on the other he experiences a profound sense of loss and grief seeking death as the ultimate act of pleasure the first person narrators and characters that populate cobain s texts underscore the political and aesthetic repercussions of his art cobain s distinctive version of grunge understood as a subculture a literary genre and a cultural practice represents a specific performance of race and gender one that facilitates an understanding of the self as part of a larger social order saint aubin approaches cobain s writings independently of the artist s biography positioning these texts within the tradition of postmodern representations of masculinity in twentieth century american fiction while also suggesting connections to european romantic traditions from the nineteenth century that postulate a relation between melancholy or depression and creativity in turn through saint aubin s elegant analysis cobain s creative writings illuminate contradictions and inconsistencies within psychoanalytic theory itself concerning the intersection of masculinity masochism melancholy and the death drive by foregrounding cobain s ability to challenge coextensive links between gender sexuality and race the pleasures of death reveals how the cultural politics and aesthetics of this tragic icon s works align with feminist strategies invite queer readings and perform antiracist critiques of american culture

the companion book to the hbo film about the nirvana singer and songwriter the most intimate rock doc ever rolling stone kurt cobain legendary lead singer guitarist and songwriter of nirvana the flagship band of generation x remains an object of reverence and fascination for music fans for the first time his story was told in the fully authorized feature documentary kurt cobain montage of heck in 2015 brett morgen the oscar nominated filmmaker behind such acclaimed documentaries as the hbo presentation crossfire hurricane which celebrated the fiftieth anniversary of the rolling stones and the kid stays in the picture was writer director and producer of film visual artist frances bean cobain cobain s daughter was executive producer this riveting book accompanied morgen s documentary and delved further into the material created for the film presenting an illuminating and honest portrait of the nirvana frontman that captured the contradictions that made up his character the book is composed of the extended versions of the exclusive interviews featured in the film it also showcases the film s incredible visuals with a mixture of animation stills rare photography and other treasures from kurt cobain s personal archive director brett morgen offers his personal thoughts on the creation of the film and the need to shatter the mythos that surrounds cobain taking fans into and beyond morgen s movie with unparalleled insight into the world of the late musician this book is the perfect complement to a milestone documentary that forever changed the way fans view kurt cobain the film offers the bells and whistles but the book provides the real guts of the tale examiner
